Hiring Manager

Safaricom PLC

P.O. Box 66827,

Nairobi, Kenya

Dear Hiring Manager,

I am writing to express my keen interest in the UI/UX Design Internship opportunity at Safaricom. As a passionate and motivated Computer Science student with a strong interest in user-centered design, I am excited about the chance to contribute to one of Kenya's most innovative technology companies.

Throughout my academic journey, I have developed programming skills in Python and JavaScript, and I possess basic knowledge of UI/UX design tools such as Figma and Adobe XD. Additionally, I am skilled in data analysis and dashboarding using tools like Power BI and Tableau. I have experience applying user-centered design principles in projects and have practiced prototyping and user research methodologies to ensure effective design solutions.

Thank you for considering my application. I would be grateful for the opportunity to discuss how my skills and enthusiasm align with Safaricom's vision. I look forward to hearing from you.

Yours sincerely,

KAHENI PETER.
