Prevention and treatment of diabetes and high blood pressure

Date: 18/7/2025

To:

The Church Chairperson, Registrar & Elders
PCEA Kiaritha-Ini Church

Subject: Request for Partnership in Community Health Education

Dear Respected Church Leadership,

Warm greetings from **Mwangaza Wellness and Medical Centre**.

I am writing to introduce our facility, which is dedicated to the **early detection, prevention, and management of diabetes and hypertension** within our communities. We are located at Kiamwangi-Karatina, Along Karatina-Kagochi Road 1 mile from Jambo Junction. As part of our outreach efforts, we have launched the **Mwangaza Diabetes Campaign** running from **June to 14th November 2025**, during which we are visiting churches to create awareness and empower congregations with life-saving health information.

We would be honoured to partner with **PCEA Kiaritha-Ini Church** in this campaign by conducting a **brief health education session** with your congregation at a date convenient to you. The session will take approximately one hour, followed by a short Q&A segment to allow the congregation to ask any health-related questions and receive professional guidance.

We kindly seek your approval and assistance in scheduling this session and look forward to working together to promote better health in our communities.

Thank you for your time and consideration.

Warm regards,

Kaheni Peter (0799 090 598)

Community Outreach Coordinator

Mwangaza Wellness and Medical Centre
