Prevention and treatment of diabetes and high blood pressure

Date: 18/07/2025

To:

The Parish Priest and Church Committee
Kiaritha-Ini Catholic Church

Subject: Request for Partnership in Community Health Education

Dear Reverend Father and Esteemed Church Committee,

Warm greetings from **Mwangaza Wellness and Medical Centre**.

I am writing to respectfully introduce our facility, which is committed to the early detection, prevention, and management of **diabetes and hypertension** within our communities. We are based at **Kiamwangi-Karatina**, along the **Karatina-Kagochi Road**, approximately 1 mile from Jambo Junction.

As part of our community outreach, we have launched the **Mwangaza Diabetes Campaign** running from **June to 14th November 2025**, during which we are partnering with local churches to create awareness and empower congregations with vital, life-saving health education.

We would be honoured to collaborate with **Kiaritha-Ini Catholic Church** by offering a brief **health education session** to your congregation on a Sunday or day that is most convenient for the parish. The session will take approximately one hour, followed by a short Q&A segment to allow the congregation to ask any health-related questions and receive professional guidance.

We kindly request your approval and support in helping us schedule this session, as we work together to promote holistic wellness and quality healthcare for all.

Thank you for your time, consideration, and continued service to the community.

With warm regards,

Kaheni Peter (0799 090 598)

Community Outreach Coordinator

Mwangaza Wellness and Medical Centre
